

SignOn Video Remote Interpreting is the leader in providing American Sign Language Interpreting services through a live videoconference connection. We specifically work with education, healthcare, and government organizations.

SignOn VRI Benefits:

- Save on travel costs and two hour minimum time charges typically associated with in-person interpreters.
- 24/7/365 interpreting services available within minutes.
- Increased privacy for clientele.
- Per-minute charges—pay for what you use.
- Access to a more specialized pool of interpreters.
- Great as a backup interpreter due to an unexpected interpreter shortage.
- Peace of mind you will always be able to provide a professional, nationally certified interpreter-- knowledgeable in the subject matter and experienced with video interpreting.

Video Remote Interpreting

A Sign Language Interpreting Resource, Inc.

SignOn VRI Offers:

- **Videoconference Software**--built with the most up-to-date protocols delivering sharp video and audio quality.
- **Document Sharing Software**--allows the interpreter to view documents in real-time for enhanced interpreter comprehension of discussion topics.
- **NEW! Captioning Over Video**—Real-time captioning and Video Interpreting combined on one easy to read monitor. Enhanced correlation between English and ASL.
- Videoconference equipment packages designed to fit your needs and budget.
- Supply your own videoconference device—SignOn VRI is compatible with a wide variety of video phones and videoconference software.
- **24/7 access** to a nationwide network of sign language interpreters certified by the RID.
- **Installation and ongoing technical support** from videoconferencing professionals--available via IM, phone, or email.

"Once again, thank you so much for your continuous support. I wanted to say that your company is amazing and I am glad I am working with you."

-Interpreting Services Supervisor, Community College District in California

"Thanks for your flexibility. SignOn provides us with unbelievable adaptive capacities. Thanks."

-Career Services & Student Employment Assistant Director, University in Utah
