Bringing Partners Together for Effective Language Services

How do we integrate language access services into our programs statewide? WASCLA is putting the pieces together at our 2018 Summit! We invite you to become part of the effort to make language accessibility work for everyone. **Together Everyone Achieves More –TEAM-** is this year's Summit theme. TEAM up with us to learn about what's in place now, new efforts underway, and to work on action plans to move Washington forward.

Help us solve this puzzle to ensure that the components of successful language access systems serve limited English proficient and Deaf or Hard-of-Hearing individuals. At WASCLA Summit 2018, we'll highlight the pieces of successful language assistance programs and best practices for improving services.

Join the TEAM by joining us at the 2018 WASCLA Summit.

Registration information coming soon! Contact us at wascla.lep@gmail.com to get all the details.
